

The Artists and Artisans of The Trails and Trees Studio Tour are eagerly preparing for our annual tour on November 7 & 8, 2020. This year we will be planning special events to celebrate our 10th Anniversary!

The studio tour offers a rare opportunity for the public to visit the studios of peer juried Berkeley County artists and artisans as they open their studios. Experiencing demonstrations and interaction with the artist creates a better understanding of the craftsmanship that goes into their original works for sale.

A healthy arts community is important to a local economy. The Trails and Trees Studio Tour is free to the public. Over the last 9 years, our tour has attracted over 2000 people, both locally and from the mid-Atlantic area. In addition to highlighting the talents of local artists, the tour offers a unique opportunity for visitors to acquaint themselves with the broader small business community in Berkeley County.

We invite you to join us in celebrating the 10th Anniversary of The Trails and Trees Studio Tour and ask for your support with a donation as a sponsor.

We offer sponsorships at 3 levels:
